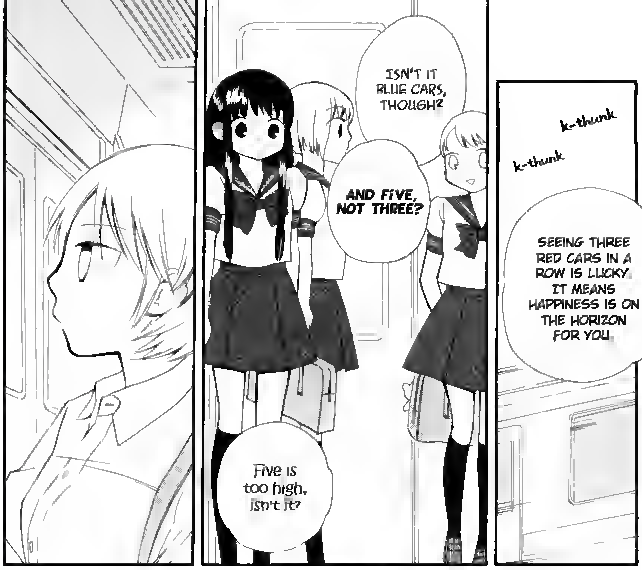
The Prince of
the Night Sky
and the
Princess of the
Morning Glow



ISN'T IT BLUE CARS, THOUGH?
AND FIVE, NOT THREE?
Five is too high, isn't it?
k-thunk

SEEING THREE RED CARS IN A ROW IS LUCKY. IT MEANS HAPPINESS IS ON THE HORIZON FOR YOU.

I don't know when it started, but every time I see her now,
I think, "Something good will happen today."

OH!
IT'S HER.
k-thunk
k-thunk
THE TRAIN SURE IS CROWDED ON RAINY DAYS.
ssshhh..
She has such a pretty profile=
her spine is always perfectly straight
M-MY VOICE ISN'T WORKING. I'M TOO SCARED.
OH!

!!
THIS MAN IS A GROPER!
Chatter
?!
SHOVE!
GRUMBLE
GRUMBLE
I'M NOT! I DON'T KNOW WHAT SHE'S TALKING ABOUT!
Bravo, Miss!
GET OFF THE TRAIN!!

OOH!
♥
YOU SHOULD'VE TOLD ME YOU WERE IN TROUBLE.
YES, I'M SURE— IT'S THE LEAST I CAN DO, AFTER YOU SAVED ME LIKE THAT.
THANKS FOR THE MEAL!
YOU'RE SURE YOU DON'T MIND? YOU REALLY DON'T HAVE TO PAY FOR ME...
UH... UM...
THEN I'D HAVE KNOWN.
Okay!

Would it be all right if I asked you to join me for tea or another meal sometime?!
I'D LOVE TO!!
But next time, we're going Dutch!
...Okay!

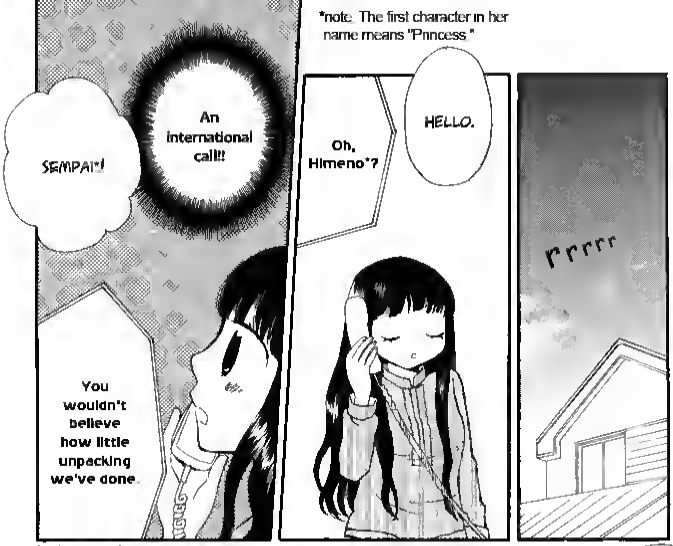
I'd never get to see her again...
But if I told her how I felt about her,

makes me happy
Just getting to be with her and talk with her...

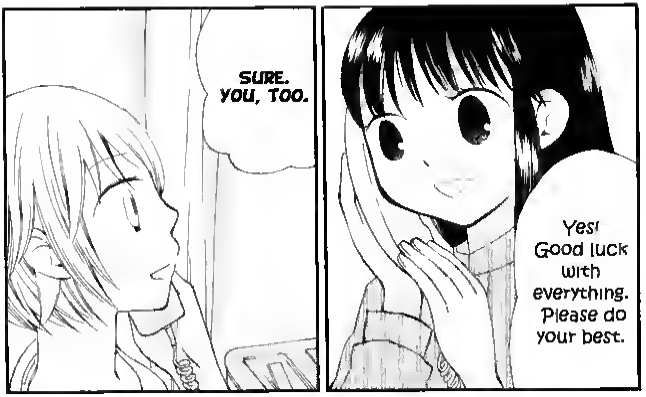
I can't believe I got to talk to her! It's like I'm dreaming

BUT I WANT TO GO TO COLLEGE HERE IN JAPAN, SO I'LL BE BACK IN A YEAR.
THAT'S NO TIME AT ALL, RIGHT? WHAT DO YOU WANT AS A SOUVENIR?
A YEAR...

I've finally gotten close to her, and she's going away.



*note: upperclassman



SURE.
YOU, TOO.
Yes!
Good luck
with
everything.
Please do
your best.

I didn't know
it would be
this painful.
I wish I'd
told her
how I felt
before
she left.

I'm going to tell her how I feel about her.
Next time I see Sempai,
I can't just wait around.

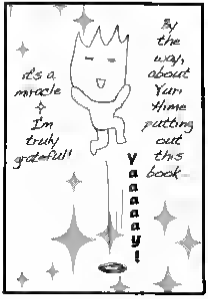
All right, that's it—

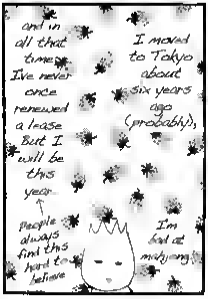
that I've been in love with her all this time.
I'm going to tell her

YOU SHOULD'VE TOLD ME YOU WERE IN PAIN.

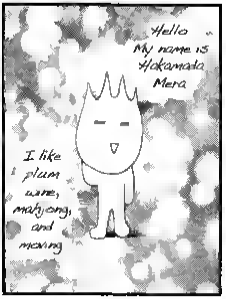
YOU'RE HOPELESS, MY PRINCESS

UM, SEMPAI ..
HM?
THE JET LAG IS KILLING ME. I'M SO SLEEPY...
FWUMP
THERE'S SOMETHING I'VE BEEN WANTING TO TELL YOU.
UM...





I moved to Tokyo about six years ago (probably).
And in all that time, I've never once renewed a lease. But I will be this year.
People always find this hard to believe
I'm bad at mahjong.



■ Fuka-san, Tsuru Chika-san, Takeuchi Yuuya-san, Eun-san, and I-maru-san, thank you for your help!!
■ To the book designer, Mizuguchi Yuuka-san, thank you for taking time out of your busy schedule to indulge my selfishness!
■ The Yuri Hime editorial department, especially Umezawa-san ✧ (Sorry I always turn things in at the last minute.)
■ Nakazawa-san from Hakusensha (Thank you ♥)

And to all the readers who've supported me. Thank you, truly!! ♥ I cherish your letters.

Hakamada Mera.

I'd like to thank Fuka-san in particular for helping me for so long!! I'm so grateful that you've been there for me

By the way, I like to use the Japanese particle "no" in manga titles. I fussed over a title for "Flowers Forming a Parabola" as I was working on it, but then that title came to me and we went with it, even though there was no "no" in it
My editor, Umezawa-san
It fits, doesn't it?
Same for "The Crow Woman"
No!!
